

# Earth Hour Community Event & Resilience Expo

An opportunity for cross sector community engagement

Townsville's Mayor Abseiling down Castle Hill to highlight the annual Earth Hour event.

Trans-disciplinary engagement

White roof painters - part of a systems based approach to resilience

**White roof painters - part of a systems based approach to resilience**

**Environmental conservation through community involvement**

**Local suppliers to address local problems**

**Incorporating resilient transport (Qld's first converted plug in electric vehicle PHEV)**

**Taking resilience to the night**

**Engaging in resilience by connecting to the reef**
